And many more crowd-pleasing stories!

Small businesses are looking for ways to cut their budgets and one of the first things to go is the holiday party. According to one expert, that's a bad idea. Trim the budget, but don't cut the humor, says comedian Larry Weaver, author of the new book, 101 Funny Employee Awards.

Weaver's book gives tips on how to organize an event to show gratitude and motivate employees. There are **101 professionally designed and funny awards that can be printed, framed, and presented.** Award categories range from *Job Well Done* to *Poking Light Fun*, and Weaver reveals how to pull off the party without embarrassing anyone or getting in trouble with human resources.

Since 1990, Larry has delighted audiences across America. He has performed in 36 states and appeared as a guest on over 100 morning radio shows.
