# Funny Teacher Awards

## Your Complete Guide to Organizing a Humorous, Entertaining and Rewarding Teacher Recognition Ceremony

We all know that teachers are underpaid and under appreciated. While we can't approve pay increases, we can each do our part to give recognition and help them feel the love. And that's where the teacher recognition awards ceremony comes in. Just make sure your ceremony isn't dry and boring by handing out creative and funny certificates.

These funny teacher certificates range from teacher superlatives to classroom awards. They reference common classroom objects, literary figures, noted scientists, fairy tales, popular culture icons, and much more. While some fall under the category of "poking light fun", the vast majority are creative ways to say "job well done". They are G-rated and appropriate for all types of schools around the World.
